Dated: June 9, 2009

Dear Shri

On review of the achievement of WLL connections during May 2009, it is observed that many Circles are having overall negative growth of prepaid connections. As you are aware that prepaid connections have been launched only few months back, therefore, it is quite alarming that we are having negative achievement of prepaid connections. The reasons for the same may please be analysed and a feedback may be given to the undersigned. You are also requested to make all out efforts to achieve the target set for WLL connections.

With best wishes,

Yours sincerely,

(R.K. AGARWAL)

Shri  
Chief General Manager,  
Telecom Circle,
